Additional Labour Fee

For large appliances requiring two engineers, an additional labour fee will incur.

+£35.00

Servicing/ end of tenancy check

Every machine suffers from wear and tear. Keeping machines in good condition will extend an appliances life.

We perform a check to search for low resistance components; check for leaks/ blockages; remove hazardous lint from internals and make advisories on any parts that may be required.

Our promise

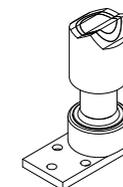

Always transparent about prices

No hidden fees. We will always refer to our price list and inform you of the cost before carrying out work.**

Quality parts

We guarantee all of the parts we use for 12 months.

To live up to our name

We'll always endeavour to book appointments under short notice so you can get your appliance up and running as soon as possible.

Please provide 24 hours notice if you need to cancel an appointment

This price list exclusively lists the cost of labour. The cost of parts are not included. Part costs are subject to our trusted suppliers and are listed separately on our invoices.

Call-outs in paid parking zones or in London's ULEZ and/or Congestion Zone will have the item(s) added to their invoice under ancillaries/parking.

Parts are ordered on an as-and-when basis. A return visit to fit parts is included in the call-out fee.
